#### BAND WARM-UP

- LOCATION: practice fields across the street, south of the bus/truck parking lot
- SURFACE: grass
- Separate area for pit percussion
- Groups MUST report to their assigned warm-up at their scheduled time, as BOA doesn't provide guides. Late arrivals cannot extend their time.

- New groups can enter as the previous one exits, following BOA staff directions.
- Warm-up/rehearsal on-site is only allowed during the assigned time and location.

## PIT PERCUSSION

- LOCATION: east side of **Lot 21** (truck parking lot) (see Site Overview Map)
- SURFACE: paved
- Pit percussion moves to the gate 15 minutes before band report time.
- Pit percussion can warm-up with the band, though it's not recommended due to the distance and terrain.

## BATTERY

## Performance

### Field Entry Timing

**The full entrance sequence and announcement examples are listed in the BOA Adjudication Handbook.**

#### THE SEQUENCE

**At the Gate:** Band arrives at the gate per schedule (no band guides). Explain your setup to BOA Staff for clarity.

**Goal Line:** We will move the band to the GOAL LINE. BOA staff will count down the start of your 4-minute set-up time.

**Take the Field:** 4 minutes before show time, enter the field as you have rehearsed. All setup (prop staging, warm-up, etc.) MUST be within these 4 minutes.

- **Props:** Rehearse field entry with prop movers for a smooth performance day.
- **Front Ensemble:** A BOA official will coordinate this entrance at the same time as the band entrance.

**Announcement:** At 3 minutes 15 seconds (of the 4 minutes), the announcement begins. BOA Staff can cue your drum major(s) for the announcement and salute (optional).

- **Note:** The BOA announcement does NOT ask, "Is your band ready?"

**Perform:** Begin after the announcement. All adults must be off the field at this time.

**Clear the Field:** You have 2 minutes after your show to clear the field (or be making

substantial progress towards the exit side) – all props, personnel, and parents.

## Gate Dimensions and Stadium Flow

- From warm-up, the route to performance includes walking on a road in a closed lane of traffic (cones and police presence). See Site Overview Map.
  - NOTE: Large equipment/props can leave the parking lots via **Jack Vest Drive** and walk on **State of Franklin Road** (closed lane of traffic) to the stadium instead of following the band path.
- Garage door is 14' wide and 15' wide
  - NOTE: BOA's prop rules apply regardless of venue's gate and tunnel dimensions. See Adjudication Handbook.
- Field Entry/Exit: Side 1

**NOTE:** The stadium has limited sideline space as well as raised seating. This may require adjustments to your pit percussion speakers and drum major podium placement.

To assist with the lack of front sideline space, drum majors can stand in the reserved front row of the spectator stands. Access to the spectator stands is via staircases at either end zone.

## Field Markings

- Both NCAA/Texas High School & Traditional High School Field Markings
- NCAA/Texas High School markings: white, 60' from the front and back sidelines and 40' apart. These are marked every yard.
- High School field markings: yellow, 53'4" from the front and back sidelines and 53'4" apart. These markings will be placed every five yards.
- **Livestream microphones will be placed 1 foot outside the 15-foot line on the 35 and 50-yard lines**

## Director Viewing Area

- LOCATION: reserved seats in the middle of Section D
- ROUTE: Field level stairs on side 1 goal line

## Adjudicators

- LOCATION: Judges will be located in the top of the press box
- Adjudication Panel Biographies are posted online on the event's Spectator Guide. Caption assignments will be released on event morning at Band Check-In.
