Championships

Bands of America is a program of Music for All, whose mission is to create, provide, and expand positively life-changing experiences through music for all. Our Bands of America Championships, presented by Yamaha, provide opportunities to perform in the finest venues, receive quality evaluation, and to observe other bands, all in a positive, affirming, and celebratory atmosphere.

From the first step on the field to the excitement of the awards ceremonies, Bands of America Championships have created an aura of excellence for student performers, teachers, parents, and fans. Since 1976, we have nurtured healthy competition and performance opportunities for students and band directors, all in an atmosphere of celebration for the entire band program.

“Our program continues to participate in BOA events due to the high level of commentary from judges that helps our program grow. The experience for my students is amazing and they love it.”

ELIGIBILITY & HOW TO APPLY

All high school bands are eligible to enroll in Bands of America Championships. All events are open on a first-come, first-served basis. Bands may choose competitive or INPUT ONLY participation. Applications must be signed by both the director and the school principal or superintendent and must be accompanied by the participation cooperative fee to be considered a complete registration. An unfulfilled Purchase Order is NOT considered payment. Register by January 31, 2023 to be eligible for the initial draw for preliminary performance times.

All complete Registrations postmarked after January 31 will be placed in the prelim schedule at earlier performance times than all bands that complete registration by January 31. If the requested show is already at capacity after January 31, a band will be placed on the wait-list or encouraged to consider a different BOA event. Completing a registration in December or early January does not provide any advantage, as those registrations will be among those eligible for the random draw for performance times for those registered by January 31. Please review the cancellation policy online at marching.musicforall.org prior to completing your registration.

Registration fees for 2023

All one-day Regionals will have an enrollment fee of \$875. Super Regional Championship enrollment fee is \$925 and the Grand National enrollment fee is \$975.

For purposes of determining enrollment, your principal must certify the number of students in grades 10-12 as reported on fall State and/or FTE funding reports.
