

**2019 Bands of America Championships**  
**FALL CHAMPIONSHIP PARKING INFORMATION**  
 Regional and Super Regional Championships

At all Bands of America Regional and Super Regional Championships, your buses and equipment trucks are required to be marked with the appropriate parking pass for the respective event. At some shows, we require payment for bus and truck parking passes, as determined by our contract with the stadium. If you are participating in such a show, we ask that you **submit payment at least four weeks before the regional**. If payment is not received prior, or you need additional passes, you may purchase them on site at Band Check-In for a \$5 upcharge. See below for associated parking fees.

**Parking passes will be sent automatically. Once you purchase the parking passes online, you will get an email containing your passes.** You may only print the number of parking passes you paid for/requested in the form. The number of vehicles admitted into the lots will be verified by the BOA Parking Staff. If you need to purchase additional passes, please fill out the form again.

At all Regionals, you will also receive a complimentary staff parking pass for ONE personal vehicle (sedan, SUV, minivan) to park in, or near, the bus/truck parking lot. At Super Regionals and Grand Nationals, staff parking IS NOT available due to space constraints. In these cases, personal vehicles must park in a nearby spectator parking lot.

**REMINDER: EATING IS PROHIBITED IN PARKING LOTS AND SURROUNDING AREAS**

Eating in the bus/truck parking lot **IS NOT** allowed at Bands of America events. This is for the safety and security of our participants. Sitting outside, in a parking lot, while vehicles are moving can create a major safety issue. Please see the Picnic Information document for specific group eating locations available on-site, or make other arrangements.
