Safety Success

The support and assistance of parent chaperones is necessary to the success of band activities. A parent's involvement demonstrates a caring and willingness to actively support their child in his/her musical endeavors. Please ensure that your support team and fans are informed, and able to help provide wonderful memories for your students.

Stay Informed

Be sure to read all provided materials and maps. This information will help you and your students to be prepared, and help make it a great day. Please let us know if you have any questions prior to arrival.

Stay Positive

Your enthusiasm, positive energy, and interest in each performance help to provide the best experience possible.

Stay Healthy

Restrooms will be available on site, as are concessions, water stations and emergency medical services. Be clear on what to do in the event of an emergency. Having access to your students medical forms can be helpful and can save time in case of emergency.

Stay Aware

Be engaged with your surroundings. If you see something you know shouldn't be there—or someone's behavior that doesn't seem quite right—say something. Security officials are on site at the event to ensure the overall safety of the event and the patrons. Informed, alert communities play a critical role in keeping our nation safe.
