

Dear Boosters,

We are thrilled that you will be with us at the **Bands of America Virginia Regional Championship, presented by Yamaha on October 26, 2019**. It is a privilege for us at Music for All to be able to provide this experience for you, your students, and boosters – to deliver on our mission to create, provide, and expand positively life-changing experiences through music for all. Bands of America programs are dedicated to providing the highest quality educational experiences possible for students and teachers across the nation. These programs emphasize the value of creativity, teamwork, and discipline in scholastic music settings, principles that our participants carry with them as they pursue their personal and professional goals.

BUS/EQUIPMENT TRUCK PARKING PASSES

At the Virginia Regional Championship, bus/truck parking passes are \$25 if purchased in advance and \$30 if purchased at the show. Once you complete your online parking pass order, you will receive an email containing your passes. You may only print the number of parking passes you paid for in the form. The number of vehicles admitted into the lots will be verified by the BOA Parking Staff. If you need to purchase additional passes, please fill out the form again. You will also receive a complimentary staff parking pass for ONE personal vehicle (sedan, SUV, minivan) to park in, or near, the bus/truck parking lot.

SPECTATOR PARKING

There is no charge for spectator parking at the Virginia Regional. **Please advise your parents and boosters to arrive early and allow extra time to get to the stadium, especially during peak times.** Refer to the Important Event Procedures document for further details. **NOTE – This is a new venue so please be patient, and allow plenty of extra time as there may be other large scale events on the same day, on campus, that may cause traffic delays.**

Bands of America events are based on mutual respect and support. Your choice to actively watch, and enthusiastically respond to, the performances of as many bands as possible helps to create a positively life-changing experience for everyone!

COOPERATIVE TICKETS

All credentials and tickets (name badges, field passes, bus driver wristbands) are the director's responsibility to distribute. Your cooperative tickets (20 day passes) will be mailed to your director at least two weeks prior to the event. These tickets allow general admission to both prelims and finals. As there are no reserved seats at this venue, your cooperative tickets **cannot** be upgraded. Please communicate with your Director as to who from your band will receive credentials and tickets. The only way an "adult/chaperone" can be at field level with performing students is with a name badge or field pass. Otherwise, all other "adults/chaperones" must purchase a ticket. Ticketed patrons are not allowed at field level.

ADULT CREDENTIALS

Upon checking in on-site, all bands will receive six director name badges valid for both prelims and finals, as well as 25 field passes (plus any additionally purchased field passes), valid for prelims only, as part of their Participation Cooperative Fee. Bands performing in finals will receive a new set of 25 finals field passes (plus any additionally purchased field passes) at the Finalist Directors' Meeting.

Additional Field Passes: All additional credentials must be purchased by Tuesday, October 22nd, with a credit card. The combination of additional name badges and field passes may not exceed 10. Of those 10, a maximum of 4 may be name badges. (BOA Adjudication Handbook Sections 6, 9, 14, 17).

Cost of additional Virginia Regional Name Badges and Field Passes: \$31

Field-level photography: Holders of Field Passes may not take photographs from the field level. Pass holders may go into the spectator seating area during the performance where taking of personal photos is allowed. Video and audio recording is not permitted from the field or the stands, without News Media Video credentials, requested in advanced and pre-approved for eligible media by Music for All.

COPYRIGHT INFORMATION

Copyright Report and approvals were due on September 1 and must be received by Music for All prior to your band's performance. **If your band has not submitted their Copyright Report and/or permissions to arrange, they will not be allowed to take the field until ALL of their copyright paperwork has been received.**

CONSIDER SPIN FOR YOUR SCHOOL'S PERFORMANCE VIDEOS ONLINE

SPiN – at thespinnetwork.com – provides subscribers with access to on-demand videos of your school's music performances at a reasonable cost (please note that 2016-2019 Bands of America performances cannot currently be uploaded to any SPiN channel). A SPiN channel provides a path to copyright compliance for your school and ensembles. We invite you to consider the opportunity for your music program and school. Music for All is grateful to SPiN for a donation to help fund the restoration and digitization of Music for All video archives (including Bands of America performances) to allow them to be enjoyed by students and parents, and used by instructors for educational purposes.

ADVOCACY IN ACTION

Advocacy in Action is a signature program of Music for All designed to collect, recognize, and share effective practices and initiatives that support music education in our schools. The awards recognize and celebrate the commitment of school administrators, community leaders, teachers, and parents who believe in music education and are advocating to ensure that it is part of a comprehensive education for all children.

The Awards highlight the benefits of a strong music program and show what your school or community is doing to provide access and opportunity for active music-making. The Awards also allow educators to showcase their own music programs that are sometimes overlooked or not fully understood by members of the public beyond the school community. We hope that by celebrating these programs, we can inspire others to lead by example and take action in their own programs and communities. You can read and be inspired by the detail of all of our award-winners online at advocacy.musicforall.org.
