

**2021 Bands of America Championships**  
**FALL CHAMPIONSHIP PARKING INFORMATION**  
 Regional and Super Regional Championships

At all Bands of America Championships, your buses and equipment trucks are required to be marked with the appropriate parking pass for the event. Parking passes can be requested and/or purchased online using [this form](#).

At some shows, we require payment for parking passes. See below for associated parking fees.

**Parking passes will be sent automatically. Once you purchase the parking passes online, you will get an email containing your passes.** You may only print the number of parking passes you paid for/requested in the form. The number of vehicles admitted into the lots will be verified by the BOA Parking Staff. **If you need to purchase additional passes, please fill out the form again.** A limited number of parking passes will be available on site for a \$5 upcharge.

At all Regionals, you will also receive a complimentary staff parking pass for ONE personal vehicle (sedan, SUV, minivan) to park in, or near, the bus/truck parking lot.

At Super Regionals and Grand Nationals, staff parking IS NOT available due to space constraints. In these cases, personal vehicles must park in a nearby spectator parking lot.

**REMINDER: EATING IS PROHIBITED IN PARKING LOTS AND SURROUNDING AREAS**

Eating in the bus/truck parking lot **IS NOT** allowed at Bands of America events. This is for the safety and security of our participants. Sitting outside, in a parking lot, while vehicles are moving can create a major safety issue. Please see the Picnic Information document for specific group eating locations available on-site or make other arrangements.
