## **HEALTH AND SAFETY**

**Music for All is committed to providing safe and secure events.** During these unprecedented times, it is important for each of us to engage in safe interactions and prudent preventative measures. We encourage you to equip your groups with appropriate safety equipment, and highly encourage all spectators to do the same. Please share the Bands of America Spectator Guide with your fans, and please contact us to discuss any specifics for your students.

## **COVID-19**

Music for All is working with each venue to establish specific protocols for bands, spectators, and event staff. In Orlando, unvaccinated guests are strongly encouraged to wear masks indoors, and while around others. Music for All will defer to CDC (Centers of Disease Control), State, and Local guidelines and venue guidelines for safety and enforcement of policies.

## **MFA Employees - Vaccination**

*Please share the following statements with your administration and community, as needed.*

Music for All recently announced it will require all salaried employees and contracted personnel to be vaccinated against COVID-19 prior to attendance at the 2021 Bands of America Championships. The safety and well-being of those attending Bands of America Championships continues to be a top priority for Music for All. The latest recommendations of scientists, health officials, and authorities are that the COVID-19 vaccine provides the best protection against severe infection. Music for All will follow local requirements for safety and policies for event spectators. Policies and guidelines will be posted on [marching.musicforall.org](http://marching.musicforall.org) prior to each event.

## **Bag Policy**

Music for All encourages spectators to not bring bags into venues. Camping World Stadium allows small or clear bags, and necessary emergency or medical items. Bag policies are effective to expedite entry into venues and provide additional safety. Spectators will be allowed to bring items such as cameras provided they are not in cases that would violate the bag policy at that venue. Please contact Music for All, or see the Camping World Stadium website for more details.

## **Know the WEATHER**

Music for All defers to the weather policies and safety protocols of the facilities in which we operate. Music for All will include each school's primary director's cell number for each Regional's important updates. Updates will be provided via the BAND app.

## **Build your TEAM**

The support and assistance of parent chaperones is necessary to the success of band activities. A parent's involvement demonstrates a caring and willingness to actively support their child in his/her musical endeavors. Please ensure that your support team and spectators are informed and able to help provide wonderful memories for your students, modeling positive interactions, and being supportive of other performers.

## **Stay HEALTHY**

Restrooms, concessions, water stations, and emergency medical services will be available onsite. Have clear plans for what to do in the event of a health issue and share with your team. Having access to your students' medical forms and a basic plan for emergencies can save time and keeps everyone safer.

## **Keep yourself INFORMED**

Be sure to read all provided materials and maps. This information will help you, your staff, your parents, and your students to be prepared and help make it an enjoyable day. Please let us know if you have any questions prior to arrival.

## **Create POSITIVE energy**

Your enthusiasm, positive energy, and interest in each performance help to create the best experience for everyone involved. We encourage students, parents, and directors to meet new friends, lift up those around you, and celebrate the dedication and hard work of every group.

## **Be AWARE**

Be engaged with your surroundings. If you see something you know should not be there—or someone's behavior that doesn't seem quite right—say something. Security officials are on site at the event to ensure the

overall safety of the event and the patrons. Informed, alert communities play a critical role in keeping our nation safe.
