Evening Showcase performances will be in the evening (exact times and order TBD prior to the event)

There are evening performance spots available for all clinic groups

Scheduled audience times (listed above) are made to allow students an opportunity to observe a clinic, as well as to provide support for all groups

Your group is welcome to watch additional clinics, as your schedule allows

Leadership Sessions are for your full group to interact with Fran Kick and other schools

Clinics will be onfield & interactive with several members of the BOA judging panel (all judges will also do audio commentary for your daytime performance)

University of Wisconsin-Whitewater Warhawk Marching Band will perform and will also assist with volunteer support for the event
