BUS/EQUIPMENT TRUCK PARKING PASSES

Please note – due to limited parking lot availability near the stadium, please be prepared to relocate your buses to Lot 25 (1/2 mile southwest of the stadium) after your performance flow. At the Northwest Ohio Regional, bus/truck parking passes are \$25 if purchased in advance and \$30 if purchased at the show. Once you complete your online parking pass order, you will receive a confirmation email which contains a link to a Dropbox folder, containing the parking pass template. Include your school name on the

pass, and you may only print the number of parking passes you requested in the form. The number of vehicles admitted into the lots will be verified by BOA Staff. If you need to purchase additional passes, please fill out the form again.

SPECTATOR PARKING

PLEASE NOTE: PARKU TOLEDO UTILIZES THE PARKMOBILE APP THROUGHOUT CAMPUS. THERE ARE NOT PHYSICAL KIOSKS ON CAMPUS. There are limited spaces adjacent to the stadium, so please be prepared for a 10-15 walk to the spectator gates. An ADA dropoff/pickup loop is available on the west side of the stadium.** Refer to the Important Event Procedures document for further details.

ADVOCACY IN ACTION

Advocacy in Action is a signature program of Music for All designed to collect, recognize, and share effective practices and initiatives that support music education in our schools. The awards recognize and celebrate the commitment of school administrators, community leaders, teachers, and parents who believe in music education and are advocating to ensure that it is part of a comprehensive education for all children.

The Awards highlight the benefits of a strong music program and show what your school or community is doing to provide access and opportunity for active music-making. The Awards also allow educators to showcase their own music programs that are sometimes overlooked or not fully understood by members of the public beyond the school community. We hope that by celebrating these programs, we can inspire music education advocates nationwide to lead by example and take action in their own programs and communities.

Designed to be a permanent, searchable resource, you can read and be inspired by the details of all our award-winners online at advocacy.musicforall.org.
