BOA LEADERSHIP BLAST

at Grand National Championships

FRIDAY, NOVEMBER 10, 2023

HYATT REGENCY, INDIANAPOLIS

REGISTER FOR A 2-HOUR INTERACTIVE EVENT

9AM • 10:20AM • 11:40AM • 1PM

During the 2023 Bands of America Grand National Championships, you and your entire band can experience a one-of-a-kind, explosion of leadership development that your students, staff, and parents will talk about long after Grand Nationals are over.

Music for All, and Bands of America invite you to bring

your entire band to one of our BOA Leadership Blast! Sessions on Friday, November 10, 2023 and inspire everyone in your program to lead better, follow smarter, and keep KICKin' IT IN long after the marching band season is over.

This IS NOT just for leaders! This isn't a sit-and-listen event either. Everyone will be involved in our multi-level experiential approach to applying what they learn as they learn it right then and there.

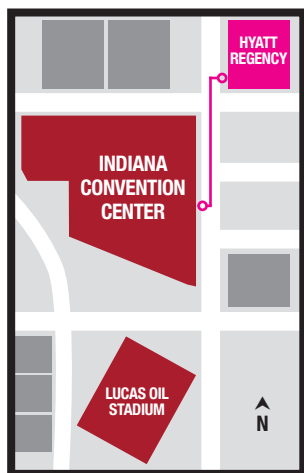

Register and sign-up for the session that works best for your band's schedule today. Space is limited and only offered to bands who pre-register.
