The parking lot attached to the building is available for parking, despite it being labeled for Faculty/Staff.

It is your decision as to what video (rehearsal or performance), if any, you want to use during your hour-long clinic. **BOX5 Media and Music for All WILL provide a copy of the previous day’s performance video for all participating groups.** Before the end of the Saturday competition, you will have access to your performance day videos on your school’s BOX5 Media account. **Videos will be available to download to your device or stream online.**

**We encourage clinic participants to download their educational copy and bring that with you on a personal device for playback in the clinic rooms.** Music for All is arranging for internet at the clinic locations for streaming of your educational video, however, bringing your downloaded copy will ensure a smooth clinic experience even if internet or other issues arise that interfere with streaming. The BOX5 Media videos can be accessed on WiFi and/or from cellular data.

**Music for All does not provide video playback devices.** If you would like to review a video of your performance with the judges, you must bring your own playback device (computer, tablet, etc.) to access the video on.
