It is your decision as to what video (rehearsal or performance), if any, you want to use during your hour-long clinic. **BOX5 Media and Music for All WILL provide a copy of the previous day’s performance video for all participating groups.** Before the end of the Saturday competition, you will have access to your performance day videos on your school’s BOX5 Media account. **Videos will be available to download to your device or stream online.**

We encourage clinic participants to download their educational copy and bring that with you on a personal device for playback in the clinic rooms. Music for All is arranging for internet at the clinic locations for streaming of your educational video, however, bringing your downloaded copy will ensure a smooth clinic experience even if internet or other issues arise that interfere with streaming. The BOX5 Media videos can be accessed on WiFi and/or from cellular data.

Music for All does not provide video playback devices. If you would like to review a video of your performance with the judges, you must bring your own playback device (computer, tablet, etc.) to access the video on.
