

2024 Bands of America Championships SAFETY INFORMATION

Music for All is committed to providing safe and secure events. It is important for each of us to engage in safe interactions and prudent preventative measures. Be aware of your surroundings. If you see something you know should not be there – or someone’s behavior that doesn’t seem quite right – say something. Security officials are on site at the event to ensure the overall safety of the event and the patrons.

Please share the Bands of America Spectator Guide posted online for each event with your fans, and please contact us to discuss any specific needs for your students.

BAG Policy

Music for All encourages spectators not to bring bags into venues. Pending each venue’s specific guidelines, small bags, clear bags, and emergency medical bags may be permitted. Bag policies are effective in expediting entry into venues and provide additional safety. Spectators will be allowed to bring items such as cameras provided, they are not in cases that would violate the bag policy at that venue.

Know the WEATHER

Music for All defers to the weather policies and safety protocols of the facilities in which we operate. Music for All will include each school’s primary director’s cell number for text updates at each Regional. Updates will also be provided via the BAND app.

Build your TEAM

The support and assistance of adult guardians is necessary for the success of band activities. Involvement demonstrates a caring and willingness to actively support their child in their musical endeavors. Please ensure that support teams and spectators are informed and are able to help provide wonderful memories for students, modeling positive interactions and being supportive of other performers.

Stay HEALTHY

Restrooms, concessions, water stations, and emergency medical services will be available onsite. Be clear on what to do in the event of a health issue and share with your team. Having access to your students' medical forms and a basic plan for emergencies can save time and keep everyone safe.

Keep yourself INFORMED

Be sure to read all provided materials and maps. This information will help you, your staff, your chaperones, and your students to be prepared and help make it an enjoyable day. Please let us know if you have any questions prior to arrival.

Create POSITIVE energy

Your enthusiasm, positive energy, and interest in each performance help create the best experience for everyone involved. We encourage students, parents, and directors to meet new friends, lift up those around you, and celebrate the dedication and hard work of every group.

Be AWARE

Be engaged with your surroundings. If you see something you know should not be there—or someone's behavior that doesn't seem quite right—say something. Security officials are on site at the event to ensure the overall safety of the event and the patrons. Informed, alert communities play a critical role in keeping our nation safe.
