Well before the Festival, you should measure, tape off and rehearse within the stage dimensions, thereby avoiding any delays or changes at the event.

Risers cannot be used at The Palladium due to logistics and setup time. The dimensions above do not include the thrust (arch) in front of the curtain.

Please diagram your seating arrangement, setup of any percussion instruments, and placement of podium, and/or other equipment. Please use "X" for each chair, "•" for each music stand.

There is no guaranteed percussion equipment provided at The Palladium. Any equipment needs should be requested through the EQUIPMENT REQUEST FORM.
