

## 2025 Grand National Championships Housing Timeline

The Music for All (MFA) participant housing policy is stated below.

**All competing and exhibition bands and their booster groups utilizing hotel accommodations for their stay during Bands of America Grand Nationals are REQUIRED to make their hotel reservations through the Bands of America (BOA) Housing Bureau.**

This form must be completed by all Grand Nationals participating bands, **regardless of whether or not you need hotel housing**. It is intended to (1) make and ensure MFA is aware of participating band housing accommodations (regarding room block size and details - the number of rooms/room type - and amenities desired), and (2) serve as a support tool to the BOA Housing Bureau's group placement process. Those using hotels must submit their property preference. Forms submitted on or prior to May 30<sup>th</sup> at 11:59PM EST will receive priority placement.

It is imperative that your submission is as accurate as possible, especially responses to housing preferences (i.e. the number of hotel nights needed, room types, etc.). Submission of a Housing Preference Form helps the Housing Bureau meet as many participant preferences as possible but does not guarantee assignment to a preferred hotel. If you have questions regarding the process of housing placement, please visit <https://marching.musicforall.org/housingbureau/>

### HOUSING TIMELINE

#### GRAND NATIONAL PERFORMANCE DAY AND BLOCK TIME COMMUNICATION

All Grand National applicants will receive their performance day and block time or wait-list status via email.

Housing Guide: Document presented for use and information that details hotel options including price, location, amenities, and availability.

Grand National Housing Preference Form: Online form that every participating group must complete. This form will allow groups using hotel properties to submit their property preference, room block size and details (number of rooms/room type), and amenities desired. Submission of a Housing Preference Form does *not* guarantee assignment to a preferred hotel.

## **May 30th, 11:59 pm EST – GRAND NATIONALS HOUSING PREFERENCE FORM DUE**

Housing Preference Form for bands that have a Grand Nationals performance date and time is due for initial housing placement. All groups who submit by the May 30th deadline will receive equal consideration. Group rooming lists are NOT due at this time, only the number of rooms you anticipate needing. Your final rooming list will be due 45 days prior to your arrival date. If your band wishes to have students' family and/or friends travel with the group, those rooms should be accounted for when submitting your housing preferences (include the additional family rooms you anticipate needing).

Groups that submit preference forms after **May 30th** will be assigned on a case-by-case basis. Upon receiving a Housing Preference Form, groups will be contacted by cmcglobal within seven business days to acknowledge receipt and make an assignment and/or inform you of your status.

## **By June 25th – COMMUNICATION REGARDING STATUS**

While not guaranteed, our goal is to have housing assignments for all bands that submitted their form by the initial deadline by June 25<sup>th</sup>. However, a housing placement is dependent on several factors and this timeline is not guaranteed. Unassigned groups will receive frequent updates from the Housing Bureau until the housing assignment process is complete.

## **August 1st – September 1st: Remaining Unused/Unneeded Contracted Rooms Made Available for Individual Bookings**

Remaining contracted hotel inventory (not needed or used by groups) will be made available to individuals. Availability will be updated periodically on a case-by-case basis for each property. Please note, the housing bureau cannot guarantee that spectator blocks will be available at every property.

## **September 1st**

Our goal is to have the entire group housing process completed by September 1, barring any groups with special placement difficulties, with which the Housing Bureau Administrator will continue to communicate with and work to resolve as quickly as possible.
