# Tips for a Successful Clinic

## ARRIVE PREPARED

Bring your Assistants and Design team.

Bring your breakfast and coffee to help keep you focused!

Don't rely on WiFi connections or cellular data.

**DOWNLOAD** your video beforehand. This can be any rehearsal or performance, including the educational copy provided by BOX5 Media.

Bring a fully charged laptop or tablet as a playback device for several people to view.

You may wish to bring an external portable speaker for better quality of sound.

## USING YOUR TIME

You have 30 min with the music judges then 30 min with the visual judges.

**ASSUME POSITIVE INTENT** - the judges are on your team!

Dialogue is casual, and friendly.

Conversation is focused on design, performance challenges, and practical solutions.

**CLINICS ARE NOT A CRITIQUE.** Placements and comparisons to other groups are not discussed.

Know what you want to leave with. Have specific goals and conversation points in mind.
