

GENERAL FIELD MARKINGS & MICROPHONE PLACEMENT

Bands of America Fall Championships

PRESENTED BY

YAMAHA

Sweetwater

This page is a quick guide to standard field markings and equipment placement at BOA events. Please see the rulebook and individual show mailings for more details.

Bands of America Vernacular:

Hash Marks are the markings laid every five yards on the yard lines. Hash marks are parallel to the sideline.

Tick Marks are the markings laid every yard. Tick marks are perpendicular to the sideline, and usually present near hash marks and sidelines.

Regional Markings - for specific Fall Regionals, please see "Tunnel Dimensions & Field Markings" page of Acknowledgement Mailing for details. Music for All attempts to use yellow tape or paint when adding hash marks, to help avoid confusion with existing white markings.
