

Central Ohio Regional Finale

PRESENTED BY
 YAMAHA | Sweetwater

All bands will line up on the plaza area facing away from bus and truck parking.

Please arrive at GATE 4 with your band in a single file line (drum majors, color guard, band). A staff member will meet you at GATE 4 and help direct you to where you get in line.

The final 3 performing groups will be asked to leave their props and equipment in designated areas on the plaza so that students may get lined up for awards. (Parent may move them once the plaza is cleared if they would like)

Groups will be split half and half entering in the front and back corners, and meet up in the back corner.
