Tips for a Successful Clinic

ARRIVE PREPARED

Bring your Assistants and Design team.

Bring your breakfast and coffee to help keep you focused!

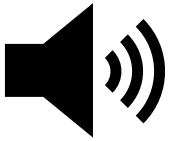

Don't rely on WiFi connections or cellular data.

DOWNLOAD your video beforehand. This can be any rehearsal or performance, including the educational copy provided by BOX5 Media.

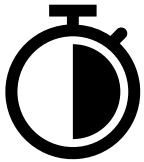

Bring a fully charged laptop or tablet as a playback device for several people to view.

You may wish to bring an external portable speaker for better quality of sound.

USING YOUR TIME

You have 30 min with the music judges then 30 min with the visual judges.

ASSUME POSITIVE INTENT - the judges are on your team!

Dialogue is casual, and friendly.

Conversation is focused on design, performance challenges, and practical solutions.

CLINICS ARE NOT A CRITIQUE. Placements and comparisons to other groups are not discussed.

Know what you want to leave with. Have specific goals and conversation points in mind.
